the same. But just because I'm away I hope
lock yourself inside the house and throw away the key.
Get out and do things. Ride the horses with Debbie.

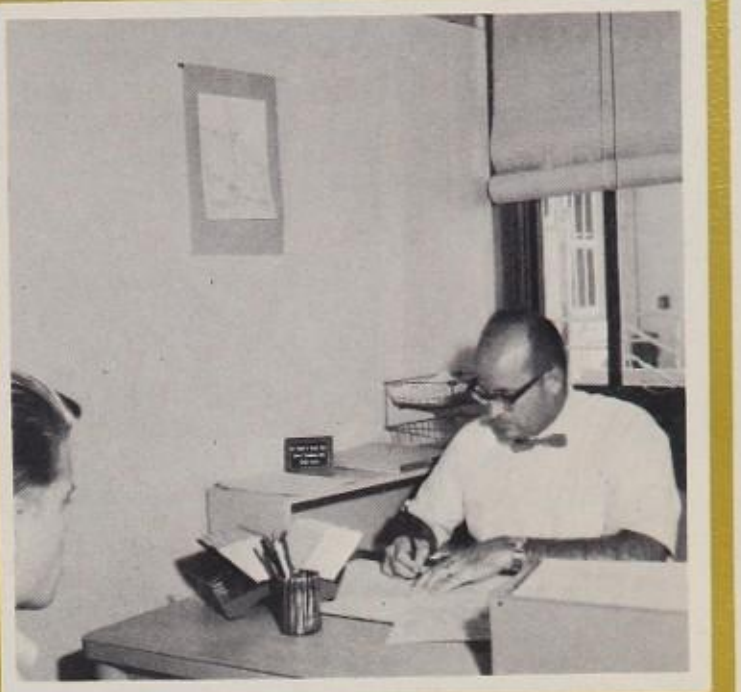
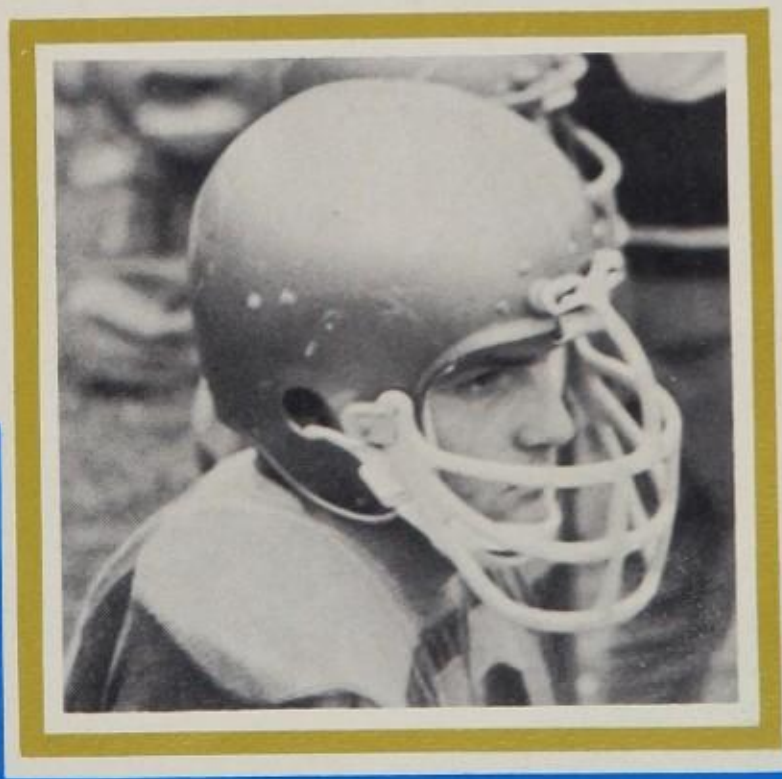
SEEKING KNOWLEDGE



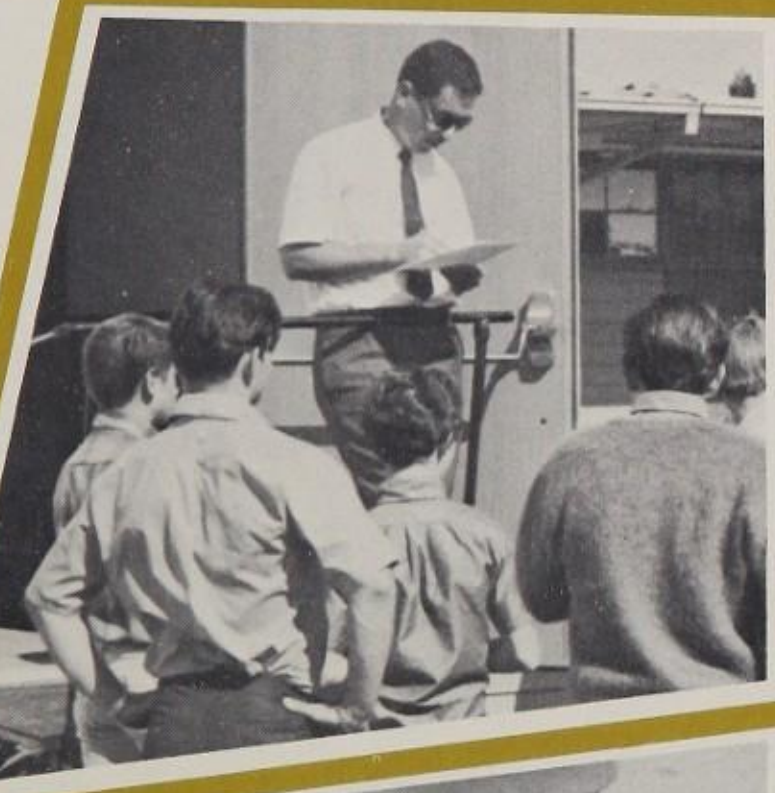
As life and time go on we grow and learn. This is a continual development, for throughout our lives we proceed in a neverending search for knowledge.

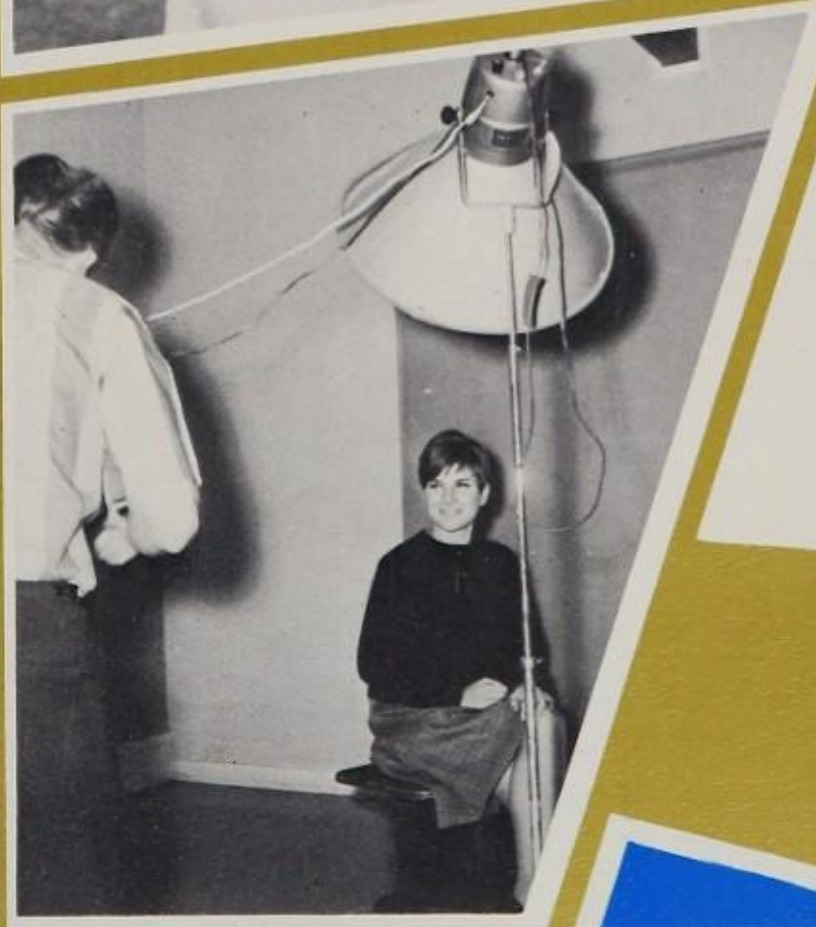
We attend school to learn, but academic knowledge is just a very small part of the education we must obtain. We have the necessary task of learning about ourselves, about life, and how to answer the many questions which we still encounter throughout our lives.



. . . In All Things

Students can be seen busily or casually absorbing knowledge at familiar locations about the campus. The classroom, the lab, the library, and the gym are the common places for learning. But, in contrast, through the exchange of ideas and through the observation of others we acquire knowledge. Whether we are in the cafeteria or on the football field—we are seeking knowledge in all things.





We Always Have

. . . since the start. There was nothing in the beginning, but since the start, we have made our gains through man's curiosity and his thirst for knowledge and pleasure.

and Will Continue

. . . to do so. We will proceed to accomplish braver deeds, fulfill future needs, complete unfinished tasks and to always acquire new knowledge for future generations to learn from. Seeking Knowledge.

Kathy Is Crowned Queen

Through the organization of various activities we seek knowledge together, although each of us takes an individual view of life. Homecoming is one of our main events at school. This year we saw Kathy Radick joyously crowned 1968 Homecoming queen by last year's queen, Lynn Everett. Kathy very happily said, "I was very, very happy. I felt very honored to be the '68 Homecoming Queen and I want to thank everyone for their support."

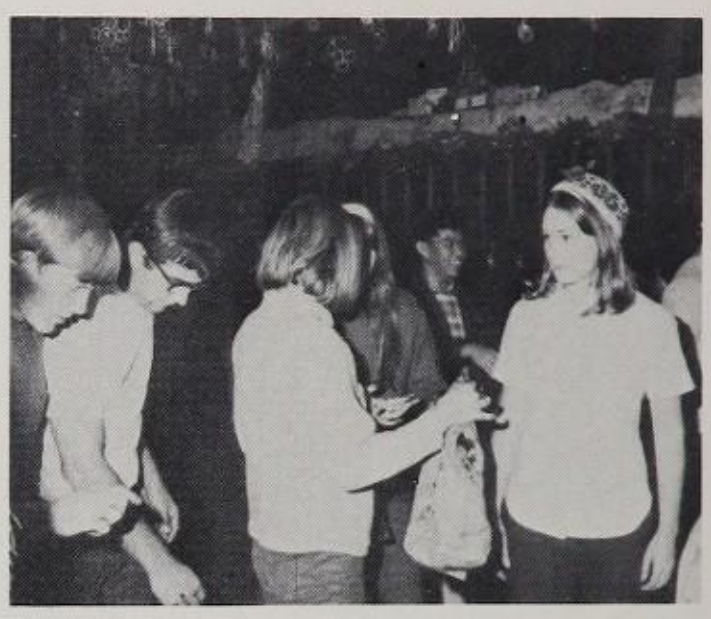
Through companionship we learn, love, laugh and cry together. With the help of friends we experience some of the greater moments of life. Viewed on an autumn day at a football game are Debbie Ralston and Mike Horgan. They represent a large part of young adult life.

Senior Hall Decorations Echo With The Winning "Sound of Christmas"

This year's Senior Class proved to be a winning team in its spectacular hall decoration achievements which were headed by co-chairmen Mary Kongsgaard and Mel Owyeong. Many industrious seniors contributed long, hard hours to planning, constructing, and arranging the scenes expressing "The Sound of Christmas," the Senior Class theme.

In remembering all the hard work and good times, every participating student, no doubt, will not forget the senior hall of '67 for many years to come.



ABOVE: Bence Kadar, Steve Zanetell, Ann Humphrey, Este Lemieux, Dennis Lee (in rear) and Barbara Dukes confer over the next Christmas decoration to hang.

Up, up, and away with Walt Heck.

"Spelling Out Christmas" was the Junior Class Hall Decorations theme. Nine main scenes were used, each one using one letter of the word "Christmas."

The Junior Hall started with "C" for church and went on with "H" for happiness in the home, "R' for Santas reindeer, "I" for icicles, "S" spelled out Santa Claus, "T" stood for Christmas tree, "M" was for the manger scene, "A" was for angels, and "S' for stars.

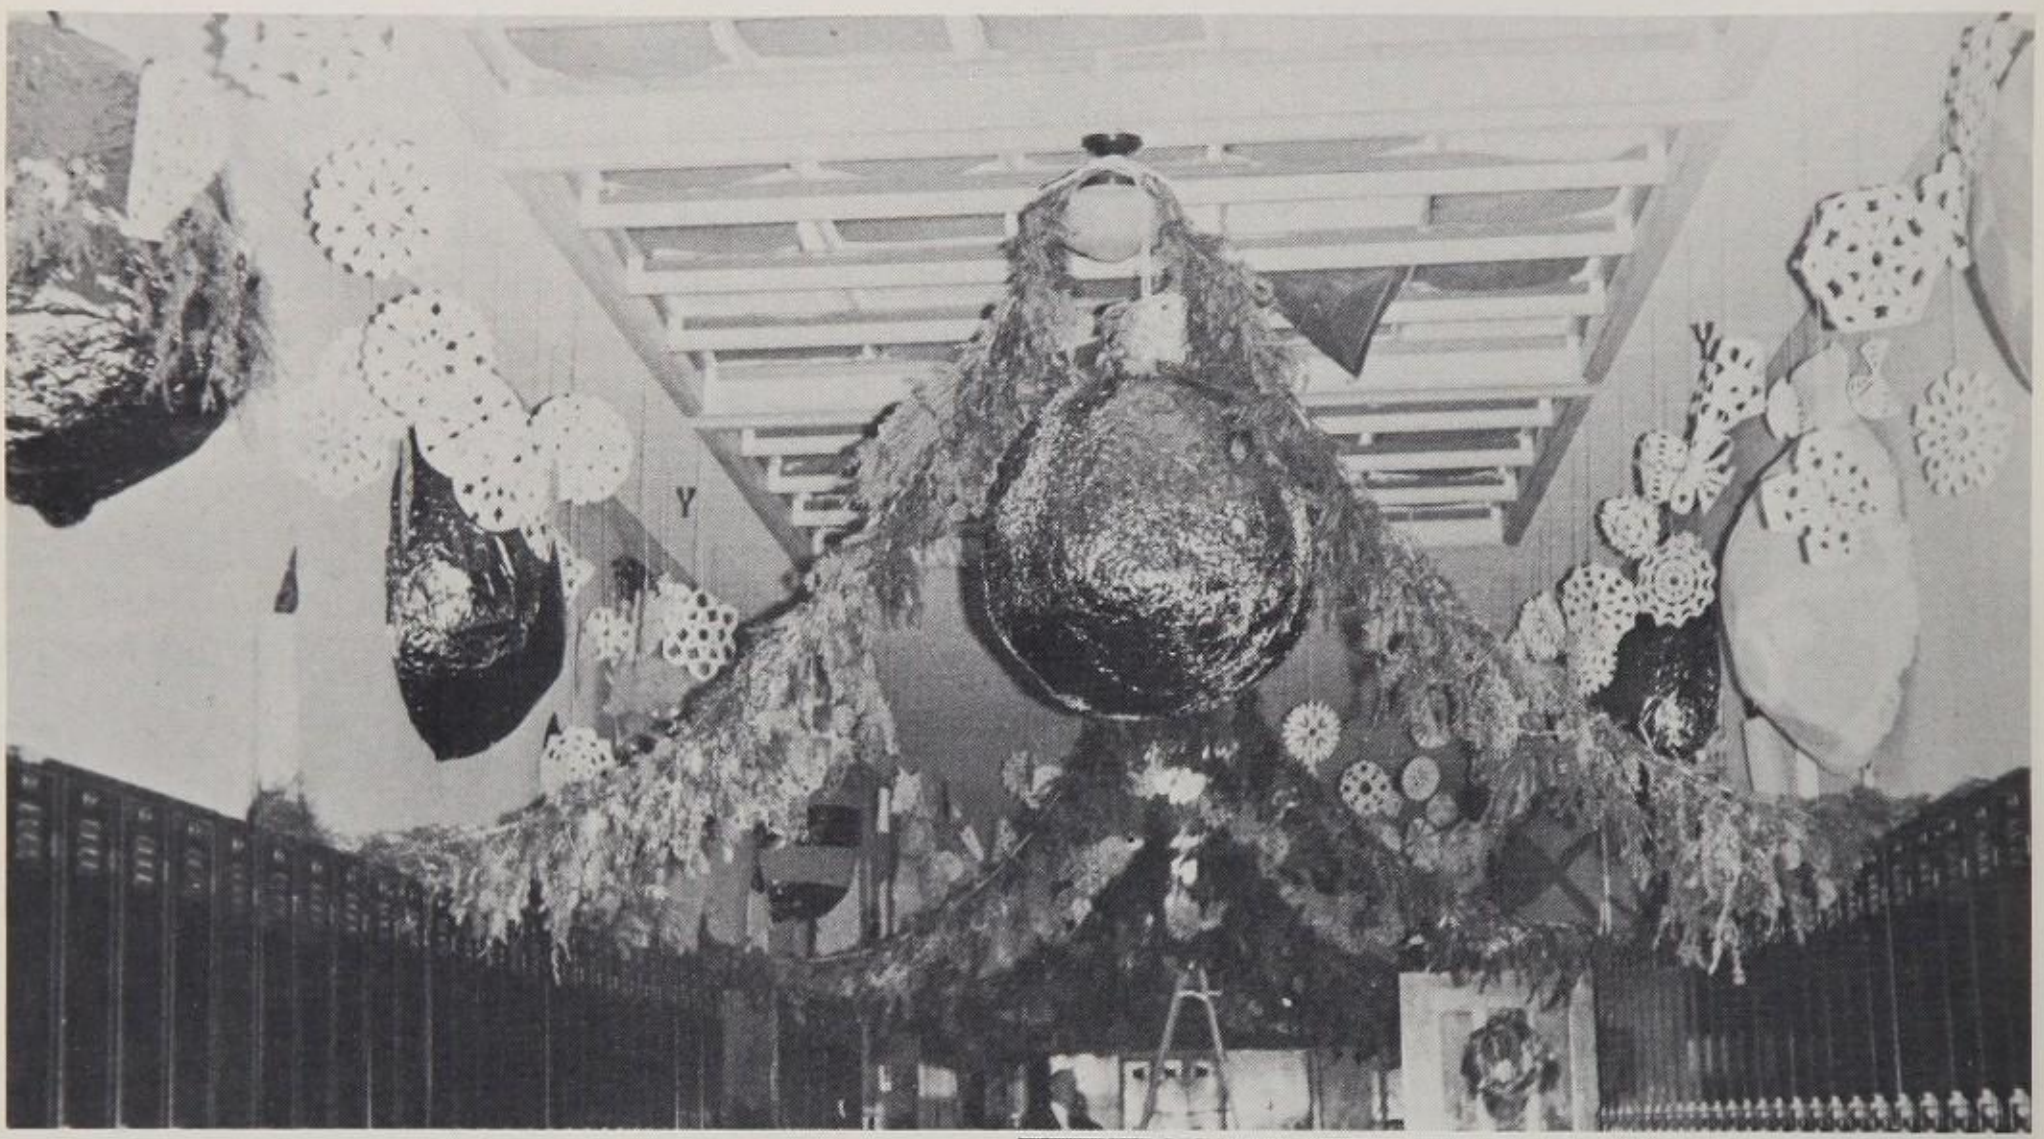
Every Junior who contributed to the Hall decorations deserves credit for long hours of hard work.

Unfortunately, three quarters of the material in the display was not fire-proof and had to be removed.

To keep the Christmas spirit alive, the remaining material was moved into the Senior hall so that one hall, at least, was decorated.

The effort and enthusiasm that the Junior Class put into Hall Decorations in 1967 will certainly be present in December of 1968 when once again the halls of Napa High will echo with Christmas spirit.

SOPHOMORES



The colorful bulbs of the Christmas tree, the delicate snow flakes, and the snow covered arches of winter green boughes created the effect of "Deck the Halls,' the Sophomores theme for 1967. The Sophomore hall decorations were produced by about fifty kids, whose hard work and many hours after school and on weekends created "Deck the Halls." The chairmen of the hall decorations for the Sophomores were: Wendy Goodin, Lillian Tallman, and Charlotte Yokum.

SENIOR SPRING SHOW

This year's Senior Class Spring Show theme was a variety hour with Dale Pickle, played by Bob Bernard who was also backed up by Mark Wilson.

As an added attraction, filmed commercials, written and acted out by members of the Senior Class, were shown at various intervals throughout the show.

OUR CHOIR ACTIVE THROUGHOUT THE YEAR

Every student in choir class is a member of the club. Beginning with early fall assemblies, the choir performed at the three junior high schools, at Calistoga High, St. Helena High, Justin, in a contest sponsored by the Area Music Teachers' Association, in St. John's Catholic church, at "Back-to-School Night," and in the Napa City Secondary Schools music festival.

In addition, the choir assisted the band at the "Band Jamboree," and presented a Spring Concert. To conclude the year, the choir sang at Baccalaureate.

Certainly, its objective, to "promote choral music in the school," was decided gained.

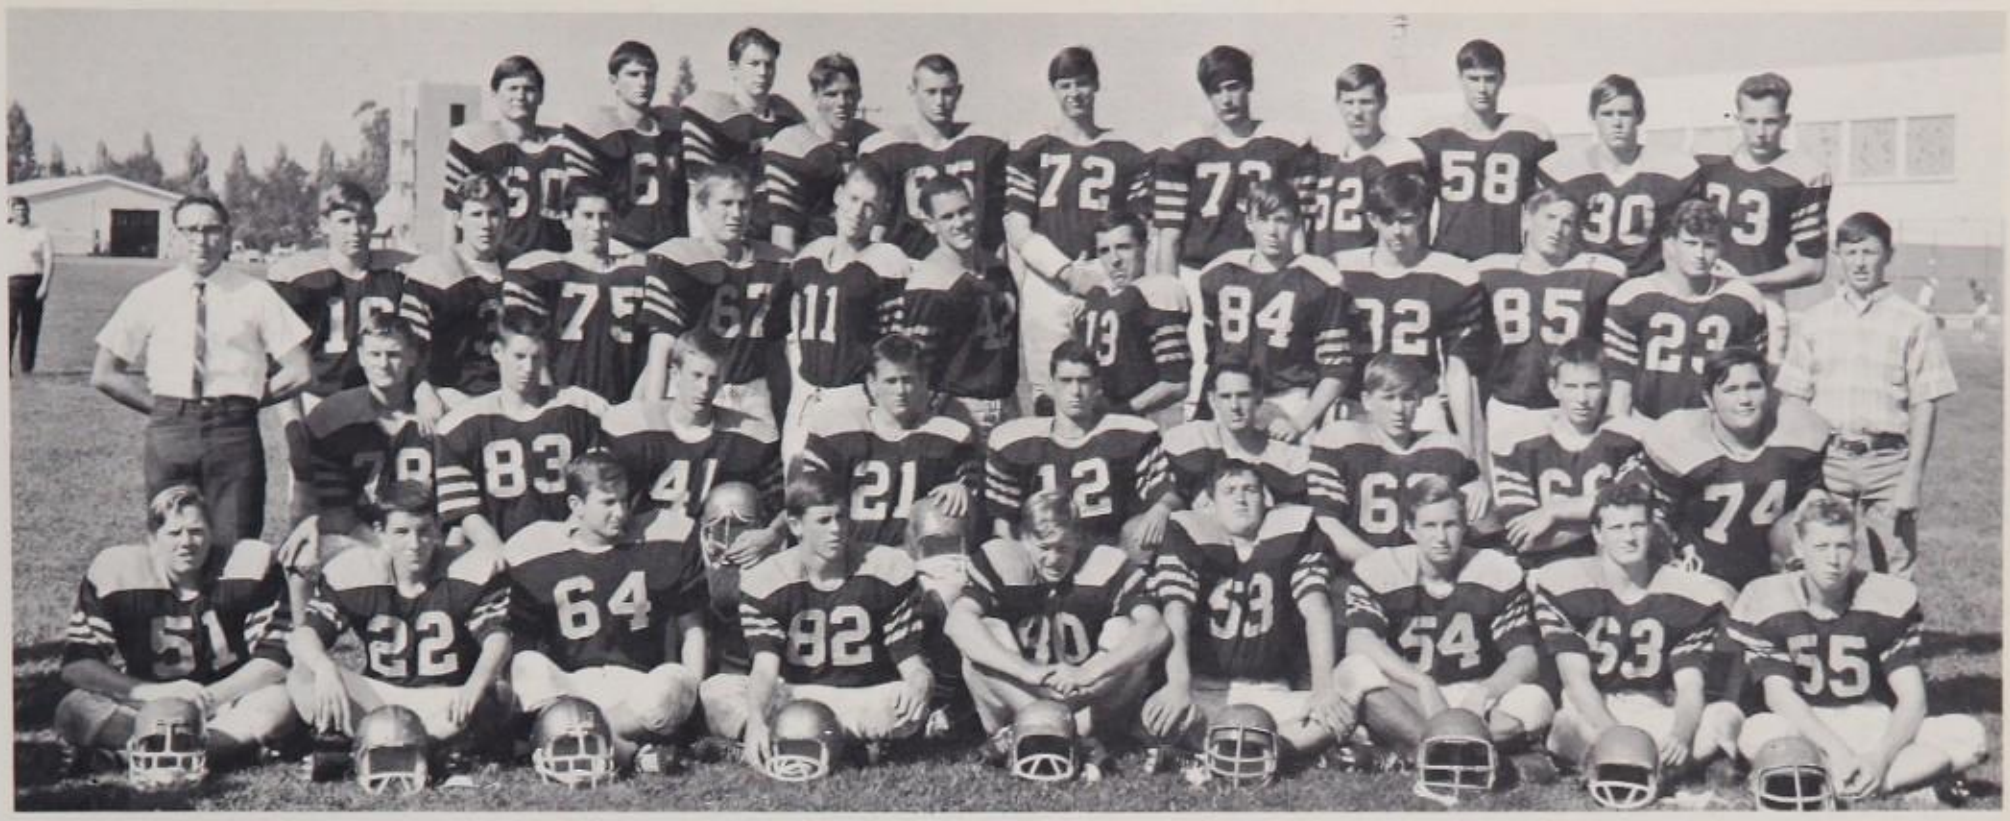
Congratulations go to this year's varsity coaches: John Garzoli, "Pete" Rivers, and Bill Williams for another fine football season.

Napa High's varsity football squad wrapped up one of its most successful seasons in recent years with a 27-7 homecoming victory over Ukiah. Napa ended with a 6-2 record overall.

Napa had fine offensive running backs in Ed St. John and Steve Zanetell. Ed averaged 4.98 yards per carry while "Zeke" Zanetell averaged 3.61.

Varsity quarterback John Vallerga was another big reason for Napa's success. John threw for 5 touchdowns while Mike Conkell threw for one. Mike also ran for six points against the Montgomery Vikings. Versatile guard Bill Ryken fired 4 passes on a fake punt play, and recorded 3 completions for a total of 38 yards. Ryken, along with linemen Larry Hale, Ted Beavers, Bill Johnson, Tim Elam, Pat Baker, Scott Lee, Richard Campbell, Mike Clark, Ray Rivers, and all-league lineman Ed Organ were main contributing factors to Napa's winning season.

Senior players who should also be heralded as "Standouts" are Frank Hagen, Jim Hand, Jess Solis, Dennis Stincelli, along with All-League players Larry Morin and Rich Burchfield.



FIRST ROW, L-R Sitting: Jim Brock, Bob Franco, Greg Hemphill, Dick Donohoe, Dick Sanders, Mike Barrett, Ellis Dee, Bernie Chechourka, Barry Lewis. JV'S

JV coaches Harry Bassett and Bill Simons (left) headed their Napa gridders to the number one NBL Junior Varsity Team. Sophomore coaches Jim Williams and Keith Orr (right) developed this year's team into a promising young group with an overall 4-2 win-loss record.

SOPH'S

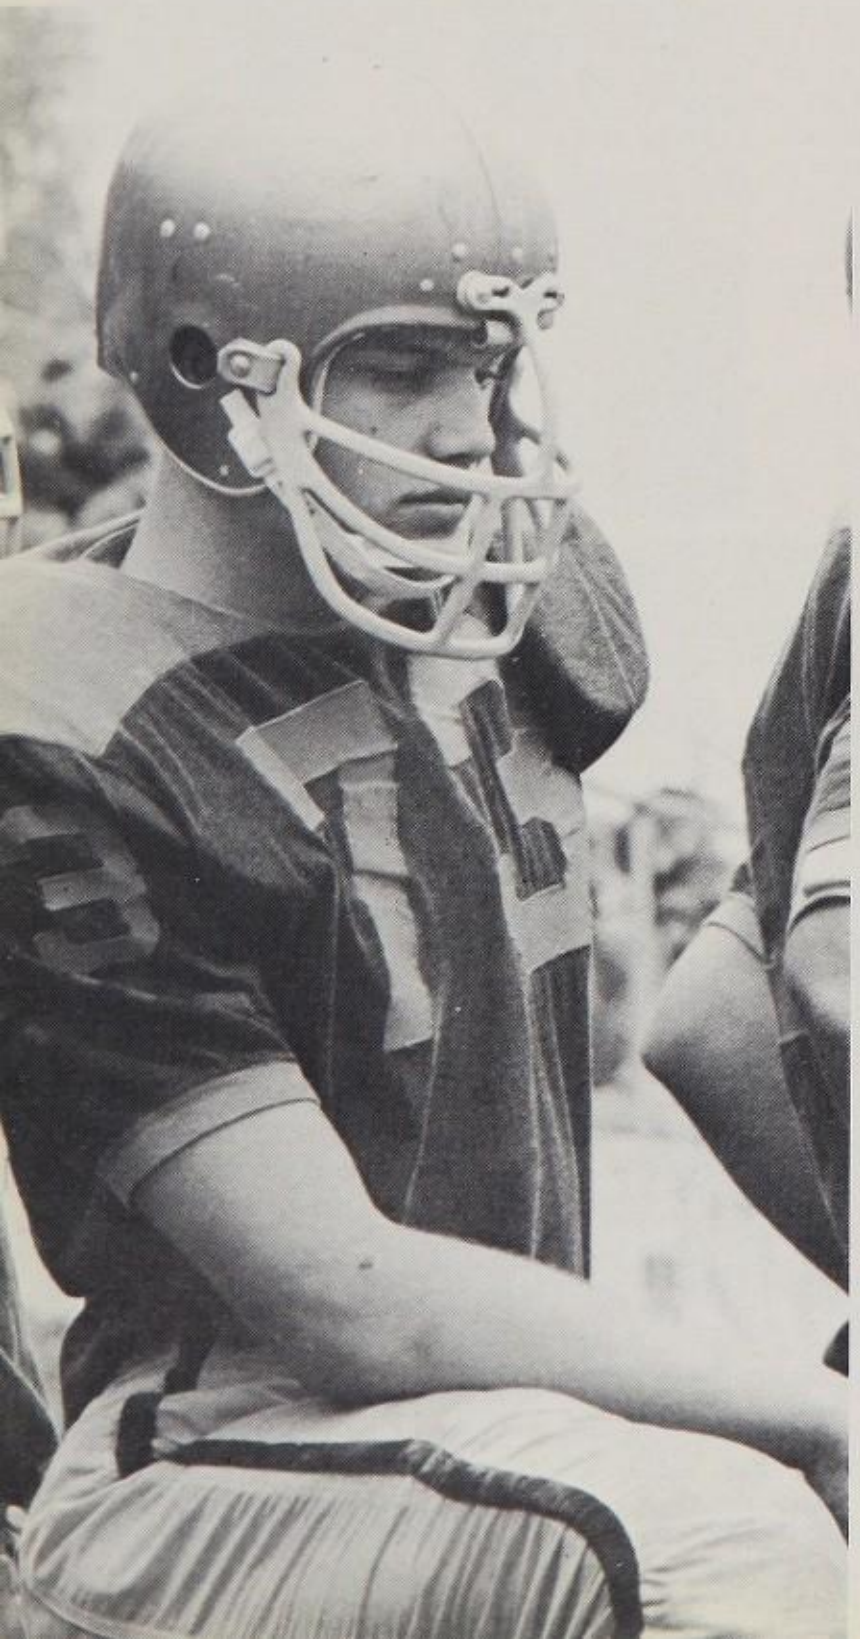
Our 1967 Varsity squad shown in a more relaxed mood at practice. These were seniors seeing their last gridiron play at Napa Senior High. Note the expression of vigor displayed by the team.

Players listen carefully as Coach Rivers and Coach Garzoli give last minute instructions before the opening kick-off at Vallejo. This game was to be the "Game of the Year" for both Napa and Vallejo. Final score—Vallejo 12, Napa 7.



"Profile of a lost game." Here lineman Larry Hale in a more solemn moment watches as his teammates lost a heart-breaker to Hogan 19-14, one of two league games in which Napa fell to defeat.

Two tired Varsity Indians, Pat Baker and Dennis Stincelli get a 4th quarter breather as teammates easily defeat Ukiah 27-7.

Coach Williams adds another star to the helmet of fullback Frank Hagen. The stars are received for recovering fumbles, intercepting passes, and making touchdowns. This is the start of a new tradition at Napa High.

Senior tackle Ed Organ demonstrates why Napa was "among the top" in scoring. Here Ed boots another point from the hold of quarterback John Vallerga. Vallerga threw 128 times for 67 completions and 893 yards to give him a 52 per cent pass completion record.

VARSITY ACTION

Strong goal-line-stands were a prime factor as to why only 8 touchdowns were scored against the Indians during league play. This Hogan Spartan learns the hard way as he is his first by Mike Clark (40) and Pat Baker (75). Also in to assist are Indians Rich Campbell (74), Jess Solis (32) and junior cornerback Kevin Wilma (30).

CROSS COUNTRY
'67 NBL CHAMPIONS

The Napa High Cross-Country Team posted an undefeated season this year, entering eleven dual meets and two three-way meets. This record under their belts, and classified as the "unofficial champs," they went to Vallejo with the main idea of bringing home Napa's first championship of the year. They successfully fulfilled this chore. Not only did the varsity capture the NBL Championship: JV's and Sophomores also came back as NBL winners.

Coach Burl Autry stated that the last time Napa placed first in cross-country was in 1961, but that the '61 team didn't compare to this year's." He later added that this year's Harriers were the "most successful cross-country team to represent Napa since 1924." Next year looks to be profitable with seven returning juniors and three returning Sophomores, all of who are very promising.

Coach Autry and Mark Schindler photoed in a more "lax" moment.

Dan Brodley (left) and Mark Schindler led the Napa High cross-country team to the NBL Championship. The team's co-captains placed 2nd and 3rd respectively in the NBL finals at Vallejo.

Buckner On All-America

BY KIRK KIRKPATRICK

Bill Buckner, one of the greatest athletes in the history of Napa High, was named to the High School All-America Football team by "Coach and Athlete" magazine.

Bill adds this to his long list of awards this year which include nomination to the North team for the North-South All-Star game and being named outstanding lineman in the 11 Bay Area counties by the National Football Foundation.

When asked what he thought of being named to this All-America team, Bill replied, "It is a great honor." Bill has also revealed his intention to go to the University of Southern California in Los Angeles. This was one of the many schools in the country from which he received offers.

Bill is currently involved in varsity basketball and is a member of the starting five. After this week he will turn his interest to baseball. He has been a star on the varsity baseball team for the last two years.

Also named to the All-America team was Rich Osterkamp of Vallejo. That means that two out of the four players to make the team from California were from the North Bay League.

"The purpose of exchanging students with different countries is to help people understand each other better. We all enjoyed our stay in Napa very much, and will always remember how friendly you Americans approached us and made us feel 'at home'."

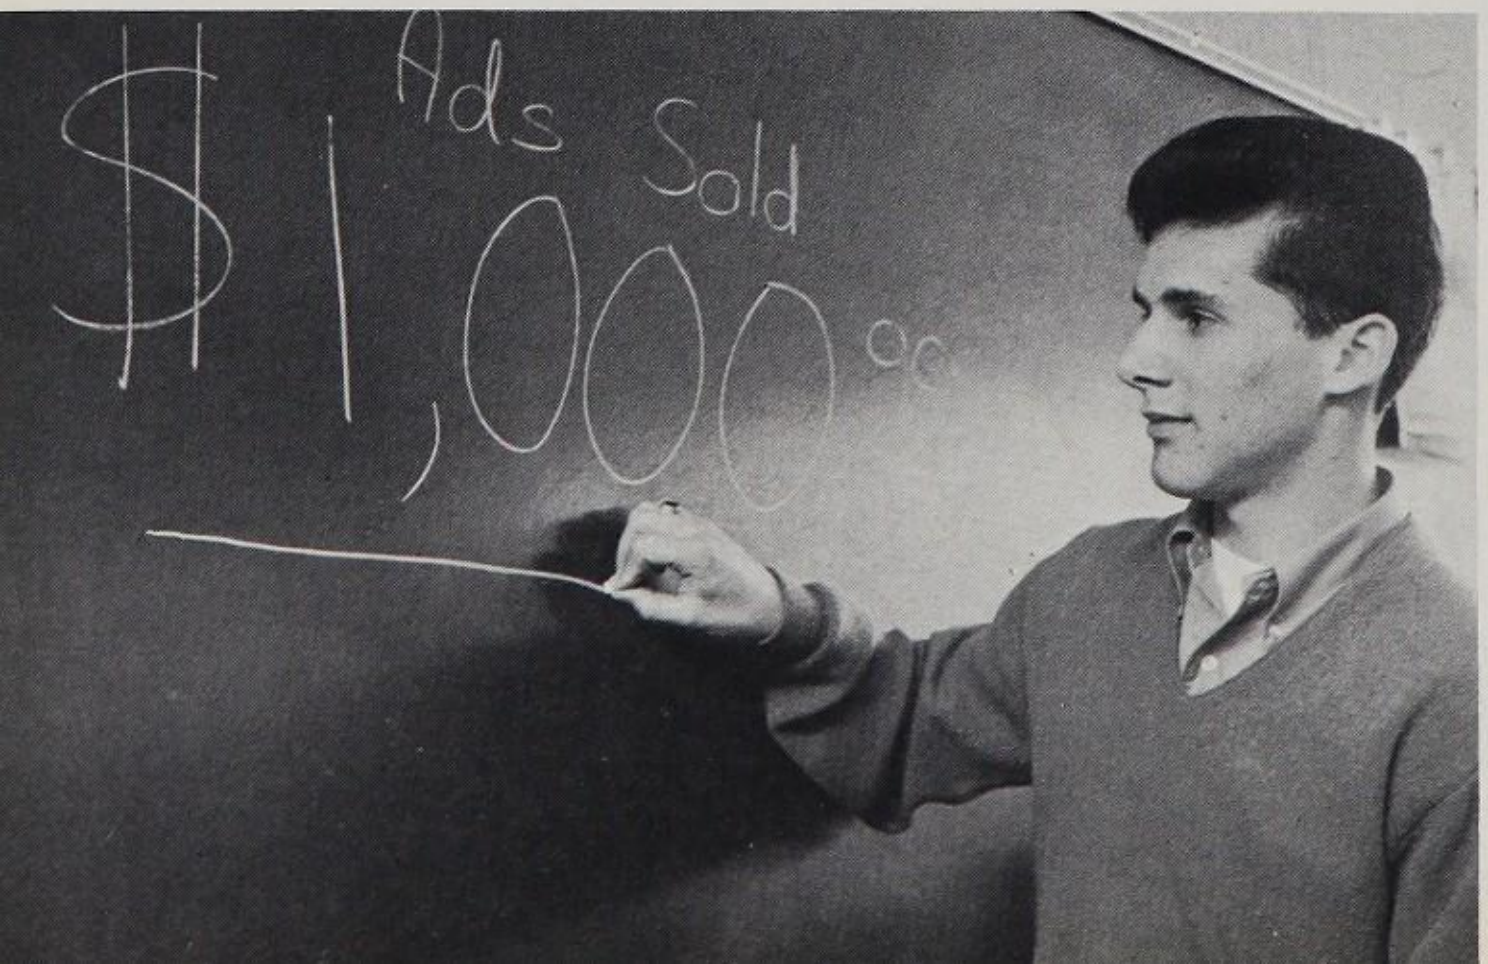
Hi! I'm Gail, editor of the Napanee, and right now I'd like to take time out to introduce you to some members of our staff.

Below is Richard, who had to go out in raging storms and sweltering heat to give businessmen the 'ole pitch'!



Napanee

Yearbooks mirror memories, both gay and sad, but all of them reflect student activities in the quest for knowledge.

"One picture is worth a thousand words"! A quotation as familiar as 'prepare yourself for tomorrow"! The classroom strives for the latter quotation, while your yearbooks attempts to reflect those experiences through the medium of photography and typography!

"Now is the time when we must walk apart", as sung in the finale of the Junior-Senior Spring Show last March, symbolizes the maturing of teen-agers into young adults and eventually into the full acceptance of their role as responsible adult citizens.

We will always cherish our high school days; and perhaps, many many years later in life, your yearbook will cause you to pause and reflect in the mirror of memories, and thus assist in your search for knowledge.

Linda Lyons, why are you so bewildered? Aren't you sure the senior section will come out as grandly as you planned?

There's Janet Rude discussing copy for Estelle's faculty section. John Klein appears to be concetntrating on some unknown project.

This is Julie, junior editor, and Jane, sophomore editor. They finished their sections before anyone else!

INJUN—EER

This year the Injun-eer staff went into "weekly production," editing 36 numbers of our six-column, tabloid-sized student publication.

The Napa Register, our local daily, printed and circulated the Injun-eer with their Thursday afternoon edition, resulting in an Injun-eer distribution of over 17,000 copies weekly.

An active Press Club affiliated with the National Scholastic Press Association, and an enlarging membership in Quill and Scroll, the International Honor Society for High School Journalists, indicated the increasing interest Napa students have developed in journalism.

FRIDAY FACULTY FROLICS . . .

Friday after school is "frolic time" for the teachers of Napa High. Teachers eating while discussing school business are **Charles Peterson, Stan Gittings, George Marino** *(head custodian)* **Paul Caffo, Joe Watson, and Arlene Lance.**

Superintendent of Schools
Dr. J. Win Payne
Napa Valley Unified School District

The same problems are evident this year as have been evident since July 1, 1965, when the Napa Valley Unified School District came into being. These are: a tight budget and a need for classroom space to accommodate our growing school population. Forty percent of the 537 pupil increase this year at the secondary level. The elementary classroom situation remains acute.

The most pressing problem is that of the Senior High School, occupied by 3,127 pupils. The South Campus was built in 1922, and later enlarged to accommodate 800 pupils. The North Campus was built in the late Forties for a junior college to accommodate 800 pupils. Quonset huts, temporary World War II barracks buildings, and 29 portables make up the balance of this campus. While 3,127 pupils are not necessarily too many for a high school, they are far too many for a school which was never designed to house a student body of that size.

Our accomplishments include the recruitment and retention of a well qualified, highly competent teaching staff, many of whom are employing modern techniques to enable pupils to learn rapidly and in depth that they may survive in the highly competitive society in which we live.

Most gratifying has been the cooperation of Teachers, Administrators, and a large segment of the Student Body in trying to find ways to help solve our problems.

When school started last fall many sophomores were bewildered by the new experience of being high school students. We weren't sure of what to do or how to act. But as the year went on and we got used to high school life, we participated in more school activities.

We won the "Most Spirited Float" award in the car rally during Spirit Week. Our hall decorations were the best a sophomore class has done in three years. We also did well in sports.

We look forward to our junior and senior years when, as we increase our participation in school events, we will gain more school spirit and leadership.

Our Junior year was filled with many important events: our all-out effort to show more class spirit than the seniors during Spirit Week, the rust to put up hall Decorations and then the disappointment of hearing the judges' decision, the hard work that went into trying to beat the more experienced seniors in the Spring Show.

It will only be a short time before we are seniors and school leaders. Only then will we look at class competition with confidence, knowing that from the experience and knowledge gained this year, the class of 1969 will be the best class in Napa High.

Well we're finally made it! I hope it's see you this summer - call me up whenever. Steve isn't coincidence. It's been a fun year - with droppers sweatpants and cold. You've got a terrific personality - remember !! I wish you the best of luck in all the future years.

Gosh, without you and Linda & Sandy & Steve, even though she was next door, govt. would have been a real drag. I'm glad there are people like you in this world Vicki. Don't be sad when Steve leaves he'll always be back. You know. He will be back in 2 months and that is your happiness for me. It was kind of fun going out with the goth. teacher's son. Ha! Hope to see you next year. AND REMEMBER WHEN HE COMES BACK, HE'S MINE! HA! Good Luck Always & God Bless
Love Sandy

Dear Vicki
Well, its finally here, our school days are over. Its hard to believe we've been friends for 6 years, it must be. I don't feel we were really as close this year, I don't know but I'd always treasure your friendship. I hope we always stay close friends and keep in touch. The best of luck always in the years ahead. And stay as sweet as you are. Love always Iris '68!

I hope this makes you happy. Three whole pages. Well that's more than I can say for some people. Anyway I thought that it was appreciated that I sign the first and last pages. It's also just one more way I have of showing you how I love you. I'd like to say again how great it's been the last 7½ months. Vicki although you've treated me a lot worse, a lot better than anyone has before I want you to know that you've treated me a lot much I don't mind that being with you spoiled me, but I don't mind that me a few (?) times I left, so I'd better finish better than you should have, for you, if not, tough! in a way you're kind of special really great in the least. Well I haven't much room left and I'd also this. I hope these 3 pages are good enough for you Wont. With all my undying I'd like to finish by saying: Thank you for a real Love Senior year. Without you it would have been nothing. Private Steven Wayne like to say that: I love you Very much. Nothing will Oration ever change that love. Not even after I go into 248496 The Marines. may God Grant you Everything USMC
